SUBJECT: The IATF Auditor Guide for ISO/TS 16949

The purpose of this CB Communiqué is to advise all IATF Certification Bodies of the release of The IATF Auditor Guide for ISO/TS16949.

The document replaces the previously know IATF Certification Body Auditor Competency Criteria for Auditing to ISO/TS16949:2002. The previous document was only made available to Certification Bodies and Auditors within the IATF scheme.

The new document as well as being issued by Global Oversight to the IATF recognised Certification Bodies in PDF format, has also been made available for general purchase, details of which can be found on [www.iatfglobaloversight.org](http://www.iatfglobaloversight.org).

IATF Certification Bodies shall ensure they issue the PDF file to all their sponsored IATF auditors.
