SUBJECT: New IATF Web site

The purpose of this communiqué is to advise all IATF certification bodies, that IATF has opened from June 1st 2008 an IATF Global Oversight website (www.iatfglobaloversight.org) as the global point of reference for the ISO/TS16949:2002 scheme, home page shown below.

The auditor development process button currently remains inactive as the site is under construction, the link will become active in January 2009.

The screenshot shows the IATF Global Oversight website. At the top left is the IATF logo and the text "International Automotive Task Force". Below this is a navigation menu with items like "Home", "About IATF", "About IATF Oversight Offices", "IATF CB Communiqués", "ISO/TS 16949:2002", "OEM Customer-Specific Requirements", "ISO/TS 16949:2002 Sanctioned Interpretations and FAQs", "Rules 2nd Edition Sanctioned Interpretations and FAQs", "OEM Communiqués", "IATF Publications", "IATF Sanctioned Auditor Training", and "IATF Certification Bodies". The main content area features a header "IATF Global Oversight Offices" with logos for ANFIA, IAQB, IATF France, SMMT, and VDA QMC. Below this is a blue button labeled "Auditor Development Process" with an "Enter" button underneath it. At the bottom, there is a "Latest News" section with two entries: "IATF Contracted Certification Bodies" posted on 05/08/2008 and "Ford Motor Company Customer Specific for ISO/TS 16949 (PDF)" posted on 04/01/2008.
