Brief Description of Auditor Resource Needed:

SRI Quality System Registrar, an established audit services company located in Pittsburgh, PA, is looking for qualified IATF 16949 (automotive) auditors to join its Certification Services practice as a contract or staff lead auditor.

Candidates will have current IATF qualified automotive auditor status, 10+ years industry-specific workplace and auditing experience, Bachelor's degree in a related field of study, quality management background, internal quality management system audits, and preferably 3rd party audit experience.

Responsibilities will include:

Oversight and performance of client audits and certification, audit planning and reporting.

SRI provides full audit support, ongoing training, and competitive salary and contractor rates. Work schedule is flexible, and position based from home.

Please submit resume and copy of current IATF wallet card for consideration to careers@sriregistrar.com. Position is available immediately.

EOE.

Salary is competitive based on experience and qualifications

CB is looking for auditors who can work in the following countries:
