DATE: May 2012

SUBJECT: CB Resource Needs

The purpose of this communiqué is to advise IATF Certification Bodies of the recently approved new feature to the IATF Global Oversight Website to assist IATF-approved Certification Bodies (CBs) in finding additional ISO/TS 16949 auditor resources.

For those CBs requiring additional ISO/TS 16949 auditor resources, please submit your resource needs on the attached form and email to Ms. Kelly Gayeski at: kgayeski@iaob.org. Ms. Gayeski will post the auditor job opportunities that are available at your CB on a link under your CB contact information at: <http://www.iatfglobaloversight.org/certBodies.aspx> The auditor job opportunity will be posted within two weeks of receipt.

Auditors may then review these potential job openings and apply directly to the CB. Global Oversight will not participate in auditor selection and cannot provide auditor contact information to any CB as this is a violation of the auditor's privacy.

Please complete one Auditor Position-Job Opening form **per position required**.
