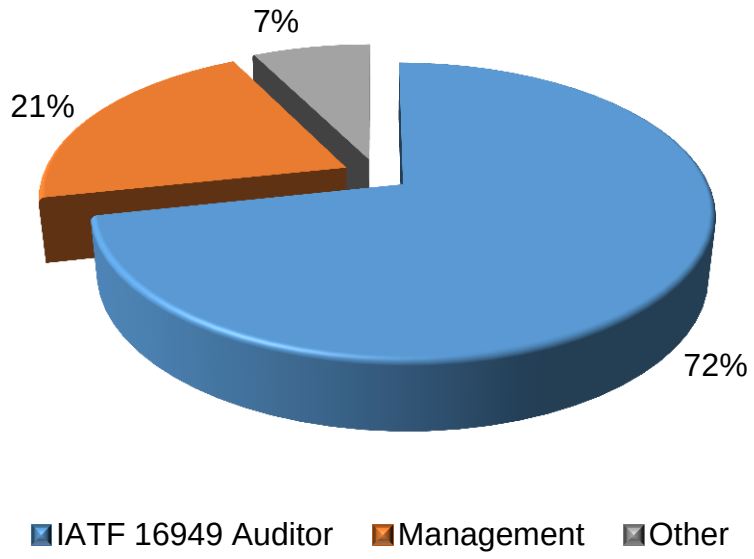
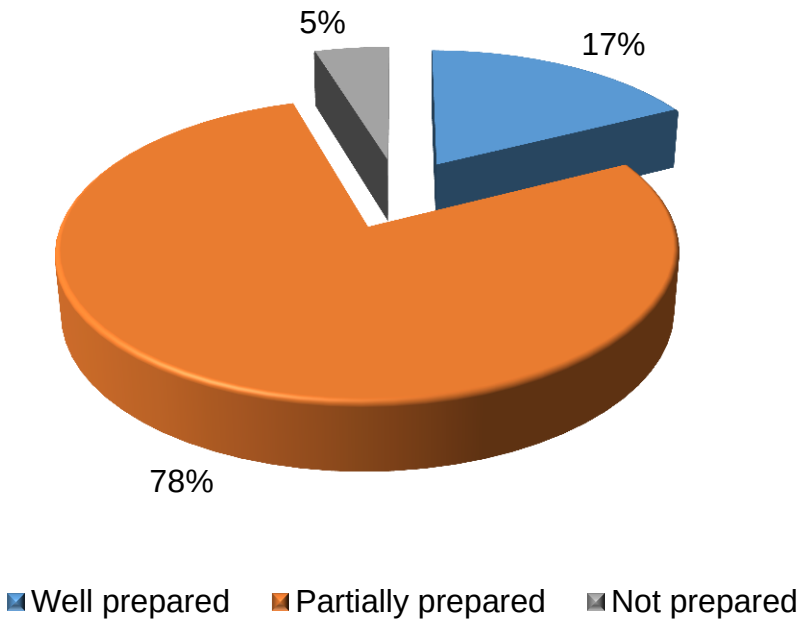
IATF Transition Survey Feedback – Certification Bodies

What is your role within the Certification Body?



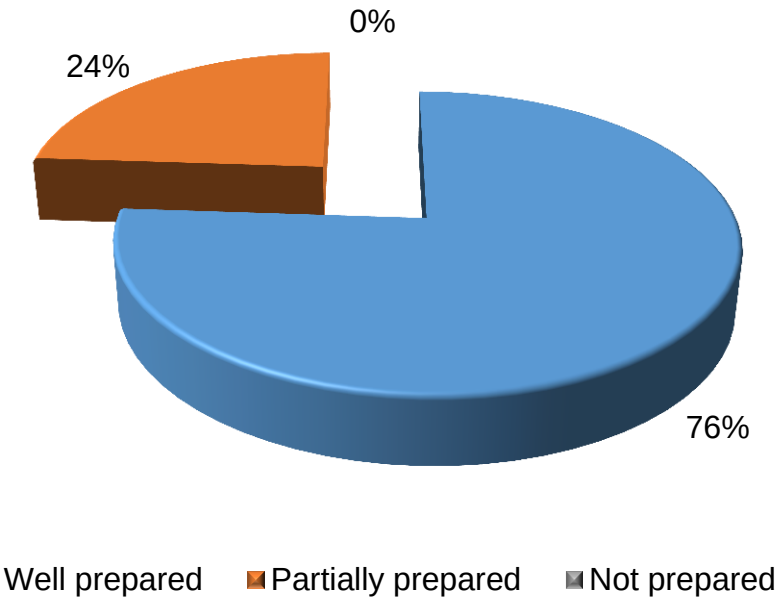
How prepared were your clients for the IATF 16949 transition?



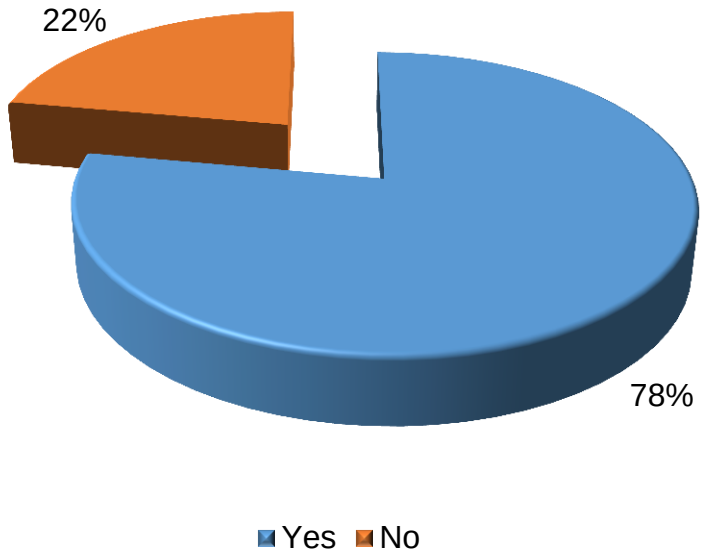
149

IATF Transition Survey Feedback – Certification Bodies

How prepared were your auditors to undertake IATF 16949 audits?



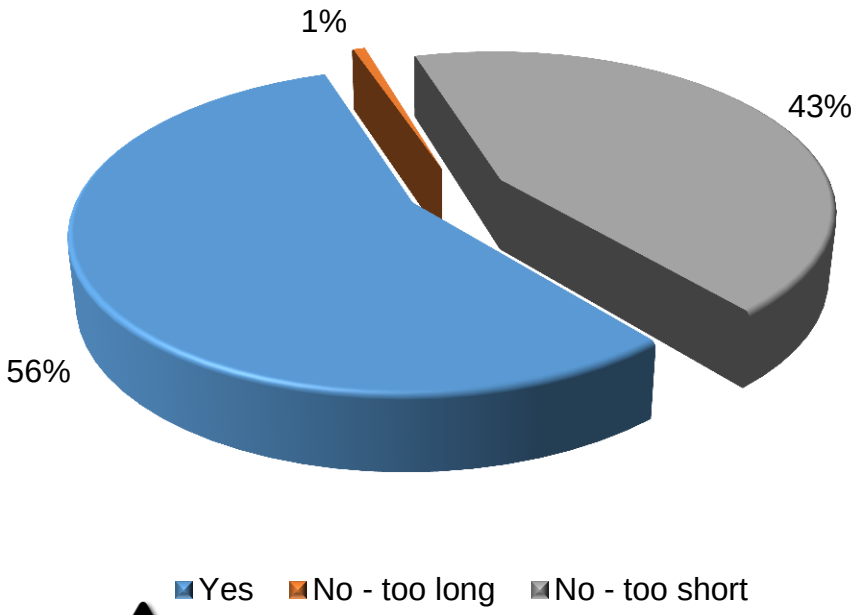
Did the ADP IATF 16949 training modules prepare you to undertake effective audits to IATF 16949?



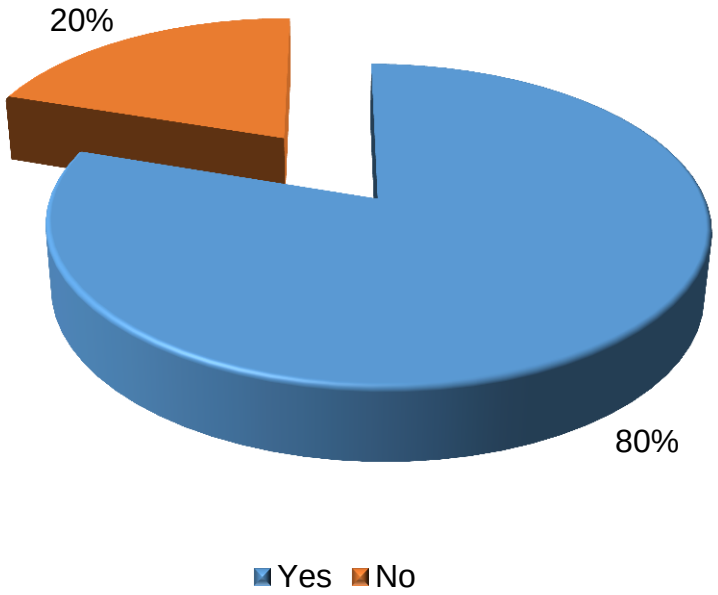
149

IATF Transition Survey Feedback – Certification Bodies

Is the duration of a transition audit appropriate?



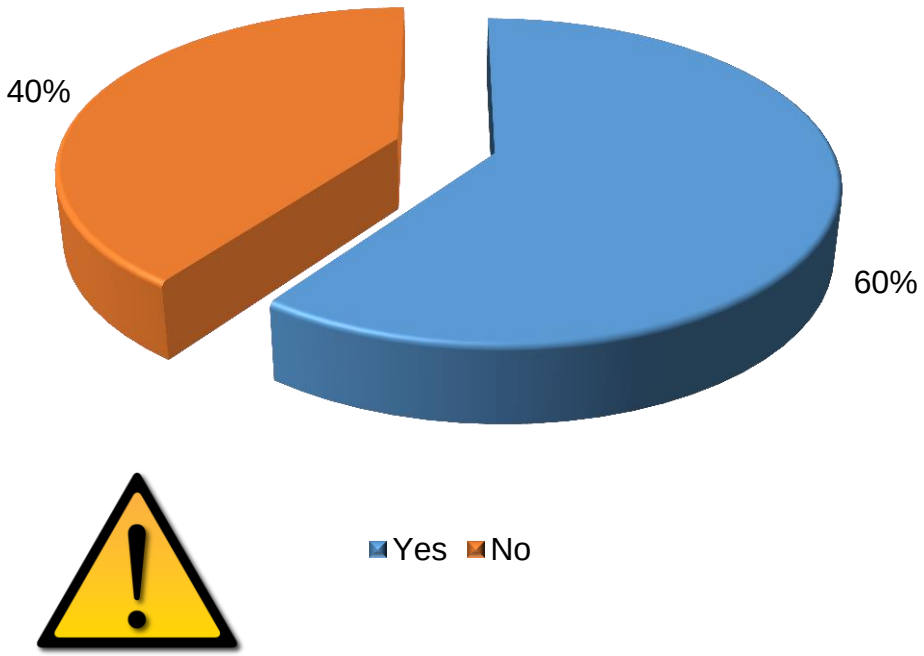
Is information accessible to clarify IATF 16949 requirements, Rules requirements or transition strategy requirements?



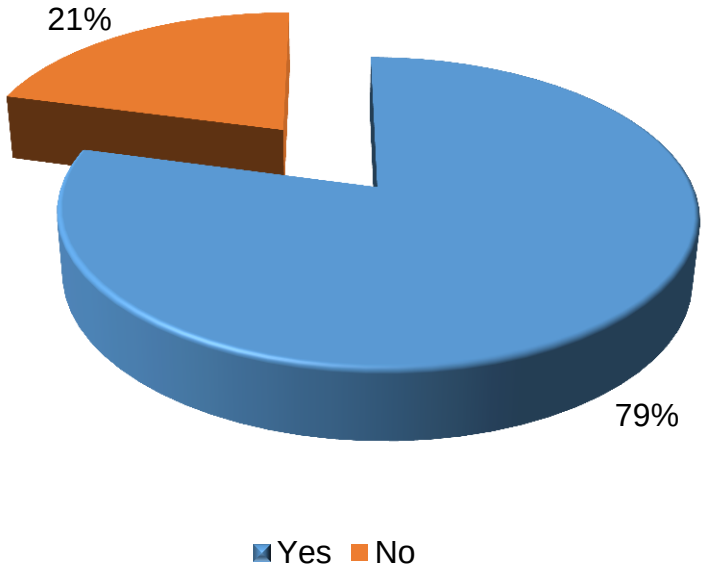
149

IATF Transition Survey Feedback – Certification Bodies

Do you see any constraints in transitioning your clients to IATF 16949 before the transition deadline in September 2018?



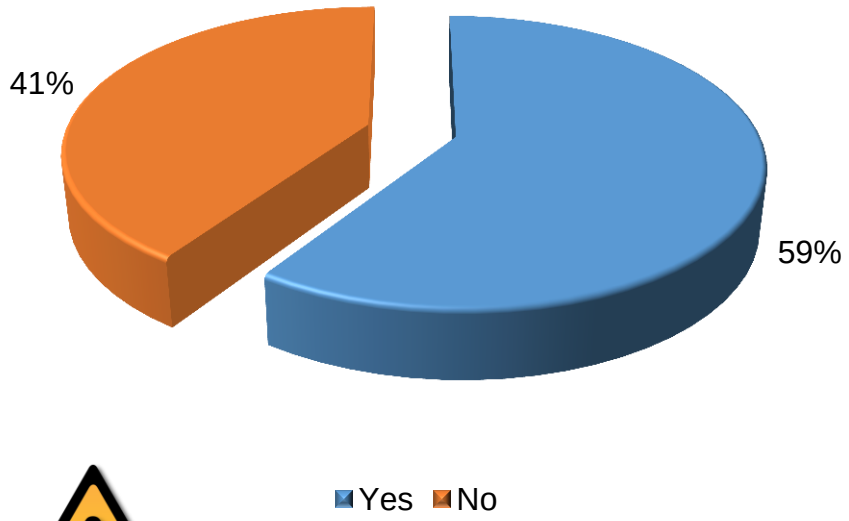
Are you seeing any benefits from the changes to IATF 16949?



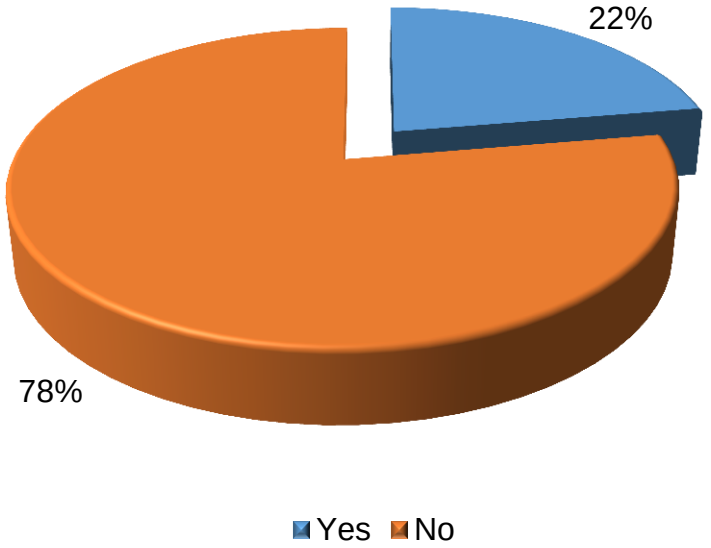
149

IATF Transition Survey Feedback – Certification Bodies

Are there any areas of IATF 16949 that require further clarification/guidance?



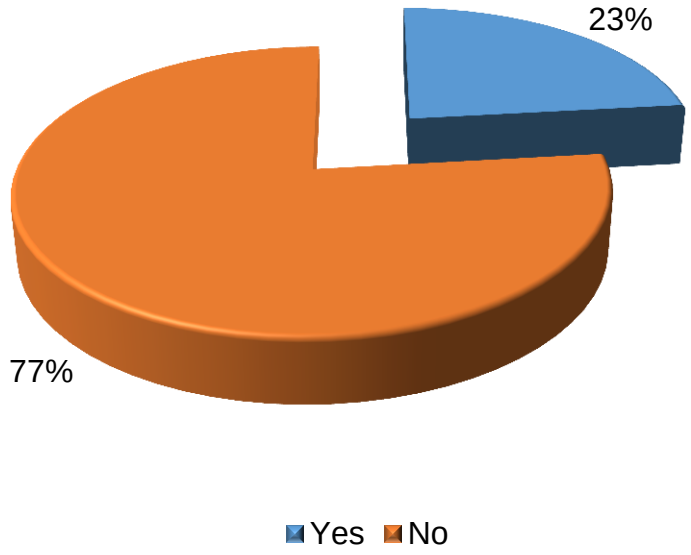
Are there any areas of IATF 16949 transition strategy that require further clarification/guidance?



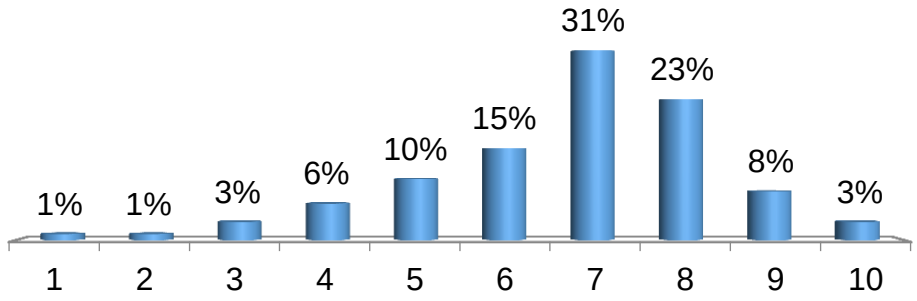
149

IATF Transition Survey Feedback – Certification Bodies

Are there any areas of the Rules (5th edition) that require further clarification/guidance?



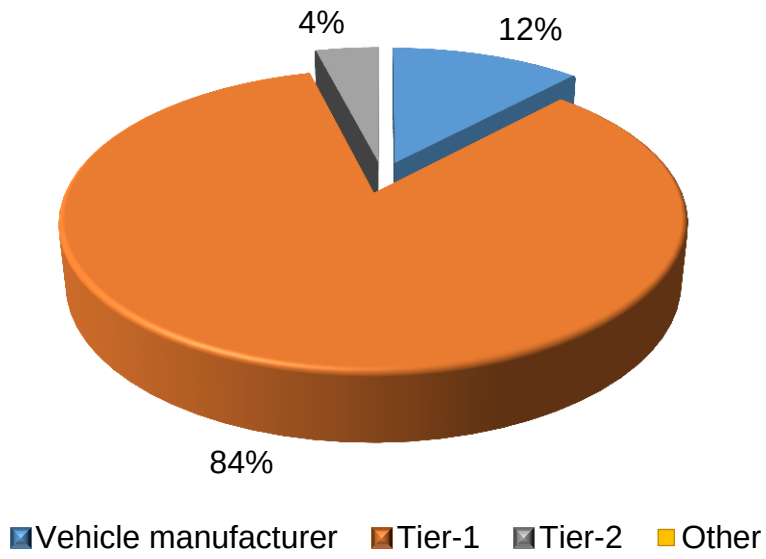
On a scale of 1 to 10, rate your experience of the IATF transition process (10 being excellent, 1 being very poor)



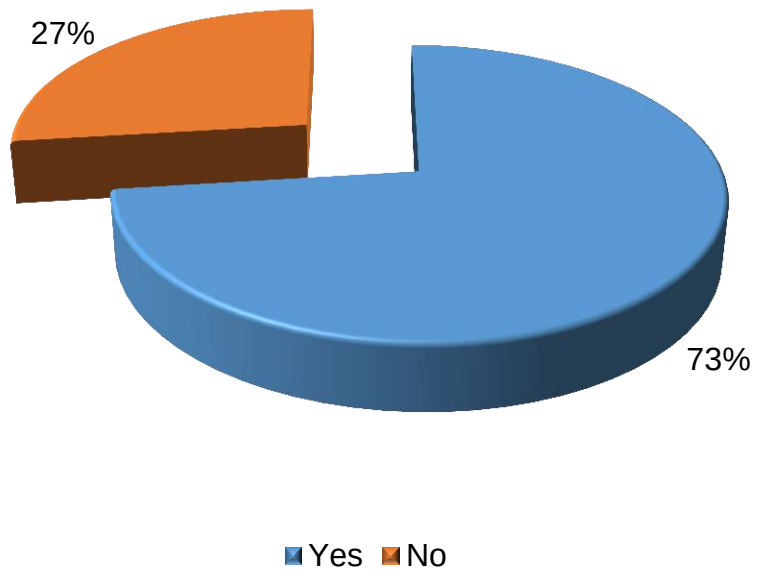
26

IATF Transition Survey Feedback – Certified Organisations

Where does your organisation sit within the supply chain?

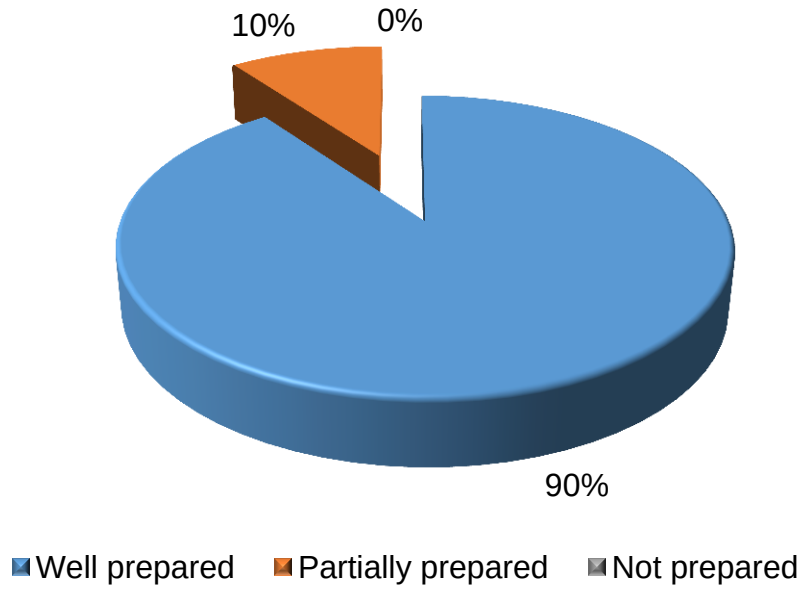


Has your organisation been through the IATF 16949 transition audit?

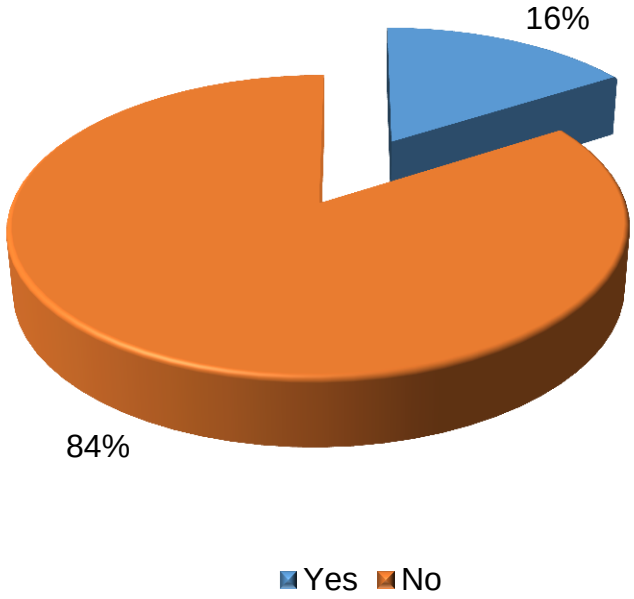


IATF Transition Survey Feedback – Certified Organisations

If you have undergone your IATF 16949 transition audit how prepared were you for the transition?

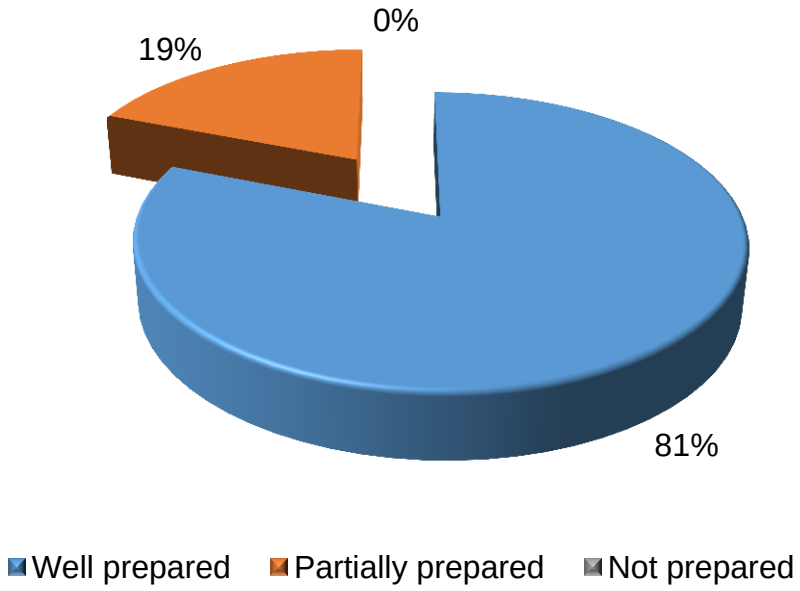


Did your organisation use a consultant to help prepare for the transition?

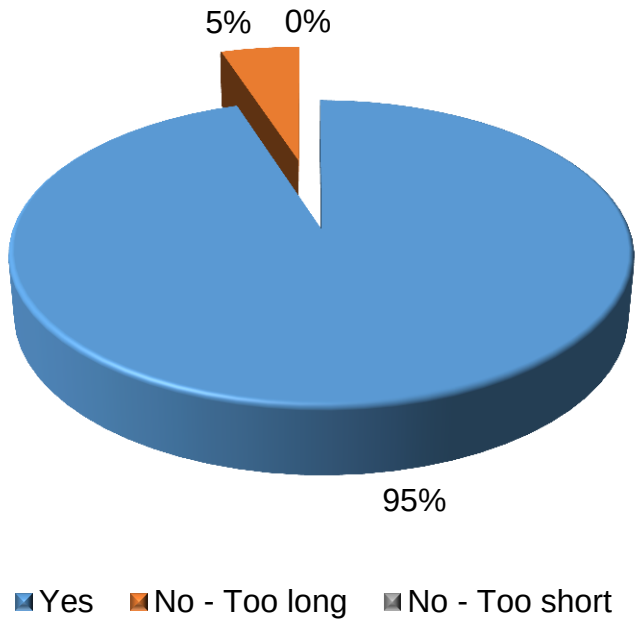


IATF Transition Survey Feedback – Certified Organisations

How prepared were your certification body auditors to undertake IATF 16949 audits?



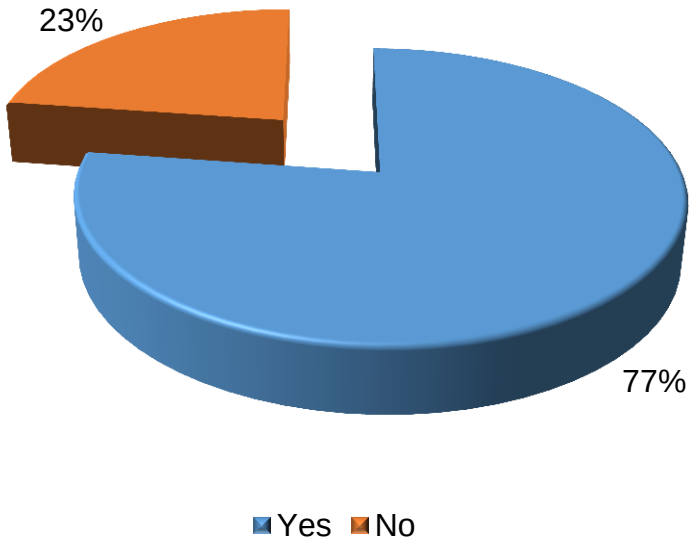
Did you feel duration of the transition audit was appropriate?



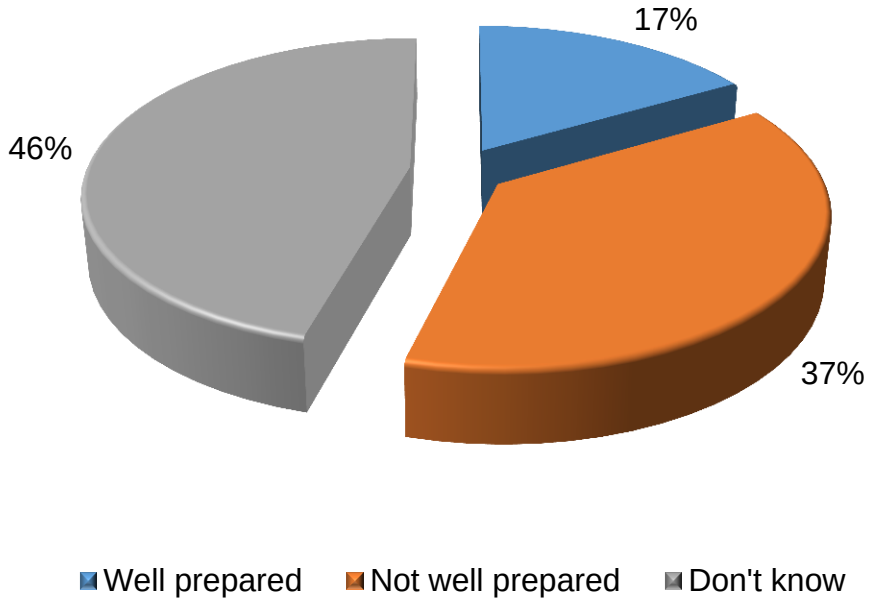
26

IATF Transition Survey Feedback – Certified Organisations

Did your certification body support you through the transition process by providing information to clarify IATF requirements, Rules requirements or transition strategy requirements?



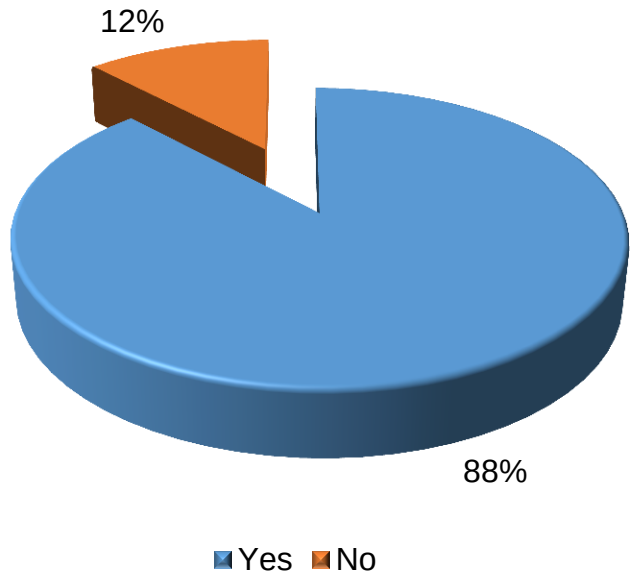
How prepared are your suppliers for transition?



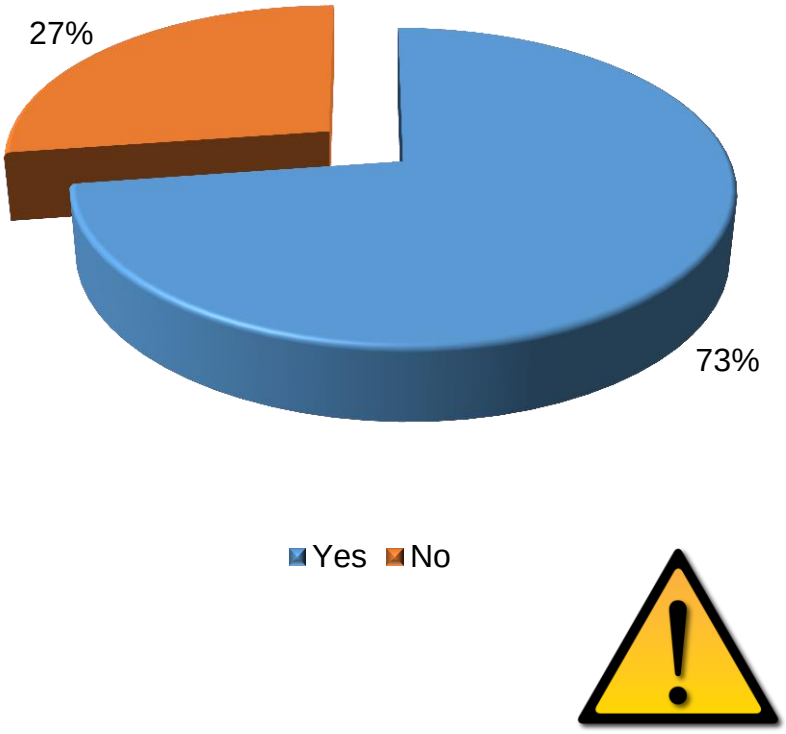
26

IATF Transition Survey Feedback – Certified Organisations

Are you seeing any benefits from the changes to IATF 16949 - has the new standard added value to the way your organisation operates?



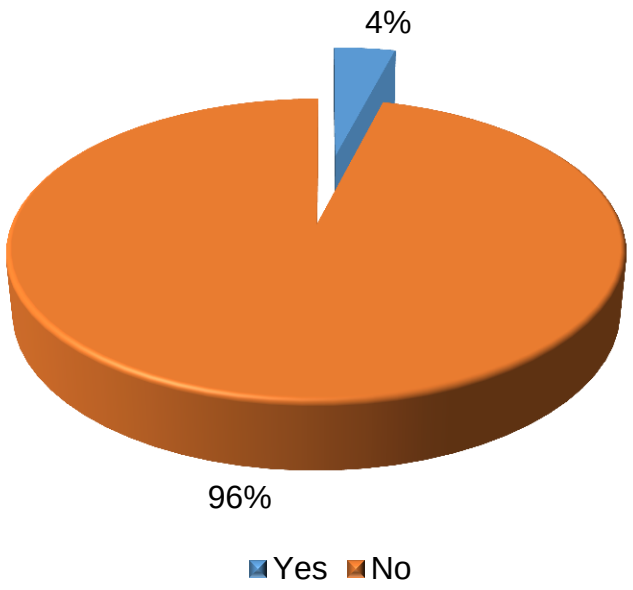
Are there any areas of IATF 16949 that require further clarification/guidance?



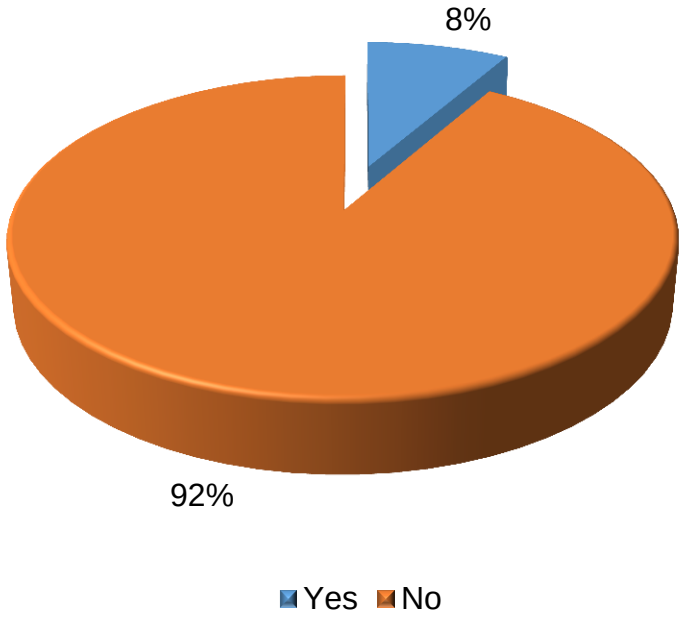
26

IATF Transition Survey Feedback – Certified Organisations

Are there any areas of IATF 16949 transition strategy that require further clarification/guidance?



Are there any areas of the Rules (5th edition) that require further clarification/guidance?



26

IATF Transition Survey Feedback – Certified Organisations

On a scale of 1 to 10, rate your experience of the IATF transition process (10 being excellent, 1 being very poor)
