IATF Stakeholder Communiqué

The purpose of this Stakeholder Communiqué is to advise all IATF Stakeholders about a change to a country name.

Following an official letter submitted to the United Nations by the Republic of Türkiye, the country's name has been officially changed from Turkey to Türkiye at the UN.

The IATF database has already been updated to reflect this change.

IATF are requiring Certification Bodies to use the new official name of Türkiye on any applicable IATF Certificates or Letters of Conformance generated from 1-Jan-2023.

If you have any questions, please [contact](#) IATF Oversight.
