IATF Stakeholder Communiqué

The purpose of this Communiqué is to advise all IATF Stakeholders that the IATF has issued revised Rules 5th Edition Sanctioned Interpretations SI 7 and SI 21.

SI 7 is related to eligibility for certification and becomes effective from December 2023. It clarifies certification eligibility to include all manufacturers of service/replacement parts.

SI 21 removes the definition of aftermarket parts and introduces a new definition for replacement parts.

Sanctioned Interpretations alter the existing published requirements of the IATF Rules for achieving and maintaining IATF recognition 5th Edition.

The files related to these Sanctioned Interpretations are available on the IATF Global Oversight website www.iatfglobaloversight.org.
